### ***Please note!***

Please print the form in **A4 format** and in **actual size**. You must send this cover page with the application. This prevents delays in processing your application!

*Please read the explanation before you start to fill out the form.*

### **Filling-in instructions**

In order to be able to assess your application quickly and carefully in terms of content, the Immigration and Naturalisation Service uses scanning software with which your application is recorded in the immigration administration system. To support this, this form is equipped with a number of features, including a barcode and so-called "adjustment fields" in the corners of each page. The following is important for a good scan of your application:

1. When filling out this form, use only an HB pencil or pen with black or blue ink.
2. Write only in the space provided behind or below each question. Do you need more space? Then add a separate page on which you state your personal data and indicate to which question the added text belongs.
3. When you are presented with a choice where you have to choose between different answer options, keep the following instruction.

Check the box of your choice (as with "b")

☐ a... ☒ b... ☐ c... ☐ d...

You want to change your choice? Then make the box of your first choice completely black and then tick the desired box.

☐ a... ☒ b... ☐ c... ☒ d...

This form comprises different appendices. Which appendices you need to fill out depends on your own situation. Only submit your application once you have completed filling out this form, signed and you have gathered together all the requested documents and evidence. If your application is incomplete, the IND will be unable to assess your application properly.

## EU citizens

A citizen of the European Union is someone who has the nationality of one of the Member States of the European Union (EU). Nationals of the member states of the European Economic Area (EEA) as well as nationals of Switzerland have the same rights as citizens of the European Union.

EU Member States: Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Greece, Germany, Hungary, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, the Netherlands, Poland, Portugal, Romania, Slovenia, Slovakia, Spain and Sweden.

EEA Member States: Liechtenstein, Norway, and Iceland.

## Why this form?

You are a family member of an EU / EEA or Swiss citizen and you wish to live together with your family member in the Netherlands. You do not have an EU / EEA or Swiss nationality yourself. You can use this form to submit an application for verification against EU law to obtain an EU residence document for the purpose of staying with an EU citizen (your sponsor).

You can also use this form if your (marital) relationship with an EU citizen has ended and the validity of your current EU residence document has expired.

You are required to submit an application for verification against EU law. You must be able to prove that you have legal residence in the Netherlands and for what purpose. The residence document is valid for a maximum of five years.

During the processing of your application, the IND also checks whether the EU citizen with whom you are staying, meets the conditions for lawful residence in the Netherlands.

## Family members of Dutch nationals

### *Dutch nationals and EU law*

A Dutch national can only derive rights from EU law if the Dutch national has made use of the free movement of persons within the EU. [Here](#) you can read when Dutch citizens can invoke EU law after returning to the Netherlands.

If you are going to live with a Dutch citizen who is subject to EU law, you can use this application form to apply for verification of EU law.

If the Dutch national can not derive rights from EU law, you cannot use this application form.

On [www.ind.nl](http://www.ind.nl) you can read about the conditions and how to apply for a residence permit as a family member.

### *Caring parent, (half) brother or (half) sister of a minor Dutch child*

If you want to stay with a minor Dutch child as a caring parent, (half)brother or (half)sister, you cannot use this application form.

[Here](#) you can read about the conditions and how to apply for the residence document.

## Documentary evidence

Make a clearly legible **copy** of all documents and supplementary supporting documents on A4 paper. Do not use other sizes of paper. On every copy, write your V-number or client number (if you know this), or otherwise your personal details.

## Foreign documents

Official foreign supporting documents must be issued and legalised by the competent authorities of the country that issued the supporting document. In some countries the document must then also be legalised by the Dutch embassy or the Dutch consulate in the country in question. In 'apostille countries' an apostille issued by the competent local authorities is sufficient. If no Dutch embassy or consulate is available in that country, the document must be legalised by the Dutch embassy or consulate responsible for that country. Official foreign supporting documents include, for example, birth certificates and marriage certificates. Having these supporting documents legalised or provided with an apostille stamp can take a long time. You should start several months in advance of submitting your application with having documents legalised or provided with an apostille stamp by the competent authorities in the country of origin.

For more information about legalisation or apostille requirements for documents per country and any exceptions to these requirements, you can telephone the Dutch government's public information service on 1400. You can also visit the website [www.rijksoverheid.nl](http://www.rijksoverheid.nl).

#### **Language of the documents to be enclosed**

All documents must be drawn up in Dutch, English, French, or German. If this is not the case, you must have your document(s) translated by a translator who has been sworn in as a translator by the Dutch court and enclose the translation(s) of the document(s) with the application. If you did not have the document(s) translated in the Netherlands by a translator who has been sworn in as a translator by the Dutch court, but abroad, not only the document, but also the translation must have been legalised or provided with an apostille stamp by the competent authorities of the issuing country.

#### **Children (minors)**

If you are the parent or representative of a child who is a minor, you can also fill in this form on your child's behalf. Where the form refers to 'you' or 'the applicant', the child is meant. Please answer all questions on behalf of the child and enclose all the required evidence and documents.

#### **Application costs (fees)**

Applying for a residence document costs money. After the IND has received your application, it will send you a letter containing the amount of fees and information on how to pay. You cannot pay in any other way or in instalments. Do not send any money together with your application. If you fail to pay, your application will not be handled. This form does not include any information about the charges or a possible exemption from paying fees. If you want to know in advance what fees you will have to pay, please visit [www.ind.nl](http://www.ind.nl). If the assessment of your application shows that you do not qualify for the residence document applied for, you will not receive a refund.

#### **Biometric information (passport photo, fingerprints and signature)**

To create a residence document, the IND needs your passport photo, fingerprints and signature. Fingerprints are taken from applicants aged 6 years and older. Every person of 12 years and older must put their own signature.

To collect your biometric data, you must both go to an IND desk. Please do so as soon as possible after you have received an acknowledgement of receipt from the IND. Please make an appointment online for this. Visit [www.ind.nl](http://www.ind.nl) to find out how you can make an appointment online.. Please make an appointment online for this. Visit [www.ind.nl](http://www.ind.nl) to find out how you can make an appointment online. If the IND does not have your biometric data, no residence document can be produced and issued to you. It is therefore important that you go to an IND desk for this. You will find the addresses and opening times of the IND desks at [www.ind.nl](http://www.ind.nl).

#### **What happens to your application?**

If your application is not complete it cannot be assessed properly. Non-payment or overdue payment and the submission of an incomplete application may slow down the handling of the application. The IND must make a decision on your application within 6 months. You will receive a written notice when the handling of your application has been completed. When your application is granted, you will receive a letter with information about where you can pick up your residence document.

#### **Processing of personal data**

The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. For instance, the IND must treat data safely and with due care. The law also gives rights. At your request, you are allowed to see which data on you the IND processes.

You can also get information on why the IND does so and to whom your data have been passed on. On [www.ind.nl](http://www.ind.nl) you can read how the IND processes your data and which rights you have. You can also read how to use your rights.

#### **Do you need more information?**

Then visit the IND website at [www.ind.nl](http://www.ind.nl). You can also contact the IND by telephone via 088 043 04 30 (normal charges apply). From abroad you can call +31 88 043 04 30.

*Positive decision on your application*

In case of a positive decision on your application, you will be informed by letter. You can then make an appointment online to collect your EU residence document at the IND desk..

## Appendix Fingerprints, passport photo and signature

***Please do not enclose this appendix with the form!***

For every new application you submit, the IND needs your photo, signature and fingerprints. The IND uses these biometric details to establish your identity and make your residence document. We do not need new biometrics in the following situations:

- Your biometrics have been taken at an IND desk or embassy abroad less than 6 months ago.
- You apply for a Foreign Nationals Identity Document (Type W and Type W2). Your biometrics have been taken at an IND desk or embassy abroad less than 5 years and 3 months ago. With a Foreign Nationals Identity Document you show that you are allowed to be in the Netherlands because you are waiting for a decision on your application. The IND then reuses old biometric details.

In all cases, the foreign national must bring a valid passport (this can also be a foreign national passport or a refugee passport) or ID card of the EU, EEA or Switzerland.

### **Situation: application starts when the foreign national is abroad**

#### **1. Entry and Residence procedure**

- The sponsor (in the Netherlands) will have submitted the application for a residence permit for the foreign national (who is still abroad).
  - When taking the basic civic integration examination abroad, the employee of the Dutch embassy or consulate will scan the passport photo of the foreign national and take his fingerprints. The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.
  - If the foreign national does not have to take a basic civic integration examination abroad, the employee of the Dutch embassy or consulate will scan the passport photo of the foreign national and take his fingerprints when collecting the Regular Provisional Residence Permit (mvv). The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.

#### **2. Application for a Regular Provisional Residence Permit (mvv) by the foreign national**

- The foreign national has submitted the application for a Regular Provisional Residence Permit to the Dutch embassy or the consulate in the country of origin or long-term residence.
  - When submitting the application, the employee of the Dutch embassy or consulate makes a scan of the passport photo and takes the fingerprints. The foreign national must place his signature. The passport photo must comply with the requirements which also apply for Dutch passports. The embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.

#### **3. Application for temporary Regular Residence Permit for persons who do not require a Regular Provisional Residence Permit**

- If an application is submitted in the Netherlands by a (recognised) sponsor for a foreign national who does not require a Regular Provisional Residence Permit, then the foreign national must go to an Immigration and Naturalisation Service (IND) desk immediately after arrival in the Netherlands. The Immigration and Naturalisation Service (IND) employee will make fingerprints and a passport photo and the foreign national will be required to place his signature. You have to make an online appointment via the website [www.ind.nl](http://www.ind.nl).

### **Situation: application starts when the foreign national is in the Netherlands**

#### **1. The application is submitted by post**

- The foreign national or sponsor sends the application by post to the IND. He will then receive a letter from the IND. This letter states whether the foreign national must have his fingerprints taken and that he must have a passport photo taken and place his signature. For this, the foreign national makes an appointment online at an IND desk. The addresses and opening times of the IND desks can also be found on [www.ind.nl](http://www.ind.nl). If the application form notes that the foreign national will collect the residence permit at an expat centre, then he can also have a passport photo and his fingerprints taken there. Please check [www.ind.nl](http://www.ind.nl) for how to make an online appointment. The addresses and opening hours of the Expat Centres can be found at [www.ind.nl](http://www.ind.nl).

#### **2. The foreign national submits the application in person**

- The foreign national submits the application personally at the IND desk. A passport photo is made at the desk and fingerprints are taken if necessary. The foreign national must also place his signature there. The application can only be submitted to the IND desk by appointment. To make an appointment, visit [www.ind.nl](http://www.ind.nl).

#### **Processing of personal data**

The Immigration and Naturalisation Service (IND) processes personal data when it processes your application, notification, or request. This means that if needed the IND will request data from you yourself and other organisations or persons. The IND also uses and stores data and shares them with other organisations. When doing so, the IND strictly adheres to the stipulations of privacy legislation. For instance, the IND must treat data safely and with due care. The law also gives rights. At your request, you are allowed to see which data on you the IND processes. You can also get information on why the IND does so and to whom your data have been passed on. On [www.ind.nl](http://www.ind.nl) you can read how the IND processes your data and which rights you have. You can also read how to use your rights.
